EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

This application is in condition for allowance except for the presence of claims **19, 22 and 28** directed to an invention non-elected without traverse.

Accordingly, claims **19, 22 and 28** been cancelled.

The following is an examiner's statement of reasons for allowance:

The prior art fails to teach or suggest the invention as claimed including a cold storage unit collecting cooled liquid phase heat conveyance medium for use when cooling requirements are increased and located in a second piping system, where the first and second piping systems each have heat intake sections coupled to the same heat source and heat output sections thermally coupled with the same heat sink.

Applicant's arguments filed 3/4/2011 with respect to the U.S. Patent 6,658,881 to Plattner have been fully considered and are persuasive. The examiner additionally notes that if the cooling system of Plattner were duplicated, then the two condensers would be coupled to different portions of the fuselage skin and would not be coupled to the same heat sink, and without proper motivation to couple the duplicate systems to the same heat sink it would not have been obvious to do so.

Art Unit: 3644

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Richard R. Green whose telephone number is (571)270-5380. The examiner can normally be reached on Monday - Friday 9:00 AM - 5:00 PM.
